MEMORANDUM FOR THE RECORD

SUBJECT: SSCI Minority Staff Director Gary Schmitt's Request
re Oversight

1. Schmitt is doing a paper for a Defense Intelligence College unclassified text. His chapter is on congressional oversight. His problem is that there is a dearth of information on the oversight process prior to the establishment of the SSCI. Schmitt asks: Does CIA have a history or records of the oversight process prior to the SSCI? Even a record of contacts/briefings would help, said Schmitt. He said his thesis is that there was no lack of oversight activity, just a disposition on the part of Congress not to be assertive. Schmitt said that he does not intend to ask that any records be declassified for this purpose, in fact, a statistical abstract would be satisfactory for his purposes if nothing else is available.

2. Schmitt would be pleased to come to Headquarters to review anything that can be made available to him. Timing? The sooner the better, he said.
